[1]Administrator privileges are required to properly install the program on Windows XP, Windows Vista, and Mac OS X.
[2]User is responsible for all Internet access fees and phone charges

Installing the Program

Windows:

1. Exit all programs and insert the **Diner Dash Seasonal Snack Pack** CD into the CD-ROM drive. The Installation window opens automatically if Autorun is enabled on your system. **Note**: If you have disabled Autorun on your computer, choose **Run** from the **Start** menu to open the **Run** dialog box. Type **D:\Setup.exe** and click on **OK**. (If your CD drive is something other than "D", substitute the correct drive letter.)
2. Follow the instructions on the screen to complete the installation.

Macintosh:

1. Exit all programs and insert the **Diner Dash Seasonal Snack Pack** CD into the CD-ROM drive.
2. Double click on the **Diner Dash Seasonal Snack Pack** CD icon located on your desktop.
3. Open the **Install Diner Dash Seasonal Snack Pack** application by double clicking on it.
4. Follow the on-screen instructions to complete the installation.

Uninstalling the Program

Windows:

1. Choose **Settings** from the Start menu.
2. Choose **Control Panel** from **Settings**.
3. Double-click on **Add/Remove Programs**.
4. Select the name of the program you want to uninstall and click on the **Add or Remove** button.
5. Click **Yes** to confirm file deletion.

Macintosh:

1. Delete the **Diner Dash Seasonal Snack Pack** program icon from the Applications directory of your hard drive.

Running the Program

Windows:

To run the program, double click on the title's desktop icon. You can also run the program from the start menu. Click on **Start**, **Programs,** and select the **PlayFirst** folder. Click on the **Diner Dash Seasonal Snack Pack** menu item to start the program.

Macintosh:

1. Open a separate window by double clicking on the **hard drive icon** located on your desktop.
2. From the hard drive window, double click on the **Applications** folder.
3. Click on the **Diner Dash Seasonal Snack Pack** icon to run the program
